Linda was a homeless and vulnerable middle-aged woman who lived much of her latter life in a bus shelter near St. Bonaventure Church in Toronto. The newspaper account of Linda's life and death became a catalyst for the creation of St. Clare Inn, in 2007.

St. Clare Inn is welcoming two-story residence for women who have been homeless and are dealing with mental health issues. The Inn, located in Toronto, offers a safe and stable drug and alcohol-free environment for women who are ready to begin to heal -- mind, body and spirit.

At St. Clare Inn women can heal and grow with external support from professional social services, in a compassionate and caring home-like setting. St. Clare Inn is a registered charity and was established by a group of professional laymen and women and Franciscan Friars known as the Friends of Saint Francis. Thank you for participating in this walk. With your help, all financial donations will be put to good use immediately to help our guests recover and re-build their lives.
